

But first.....

1. Our service is closed for our 2019 Planning Day: Monday 11th February

2. Automated Call Confirmations begin from 1st April 2019

Did you know that your Service Coordinators need to make over 250 calls to confirm bookings each week?

In order to enhance your experience with Hornsby Ku-ring-gai Community Transport, we will be implementing automated call confirmations from 1 April 2019 – no joke! This will include confirmations for all bookings with our service. Please note that Premier VIP taxis will continue to confirm out of area taxi bookings direct with you for medical appointments.

The benefits include:

- Ability to specify the number of your choice for automated calls – this could be your number or trusted family member, friend or carer
- Contents of the calls will be made in a standard manner
- Calls will be made several days before your appointment
- As a result of this improvement, Service Coordinators will have more time to devote to maximising the number of trips we can provide to all our valued clients.
