Welcome back to our General Manager,
Tracy Lee Grosser from her extended leave.

Thank you for all your wonderful Christmas wishes. The admin staff will be seeing you on the shopping buses from time to time, for a chance to get to know you better and answer questions about our service and any changes that are happening.

Automated Call Confirmations begin from 1st April 2019

To continue to improve our service, from 1 April 2019 you will be receiving your booking confirmation and pick up times from an automated call service. We will still be making the bookings by phone, email, through the website or with your program ticked and returned, just as we have been doing for the last few years. As a result of this improvement, Service Coordinators will have more time to devote to maximising the number of trips we can provide to all our valued clients. *Please note that Premier VIP taxis will continue to confirm out of area taxi bookings direct with you for medical appointments.*

If you do not receive your pick up time, please contact our office. If you need to cancel, please call the office as soon as possible.
