**Did you know ...** that Community Transport is funded under the Commonwealth Home Support Programme known as CHSP. Under this programme eligible clients' transport is subsidised. The published prices on this programme are for registered CHSP clients only. If you are a client who is receiving a home care package, we are required to charge you the full cost for your social outings. This is because clients on a package receive their funding directly. Our team can happily provide you with these costs at the time of booking. **Please note that costs listed on the program are for registered CHSP clients only**
