**We are a for-purpose organisation, with more than 30 years of service in the Community Transport sector.**

From our base in the Gladesville we provide accessible transport to people with disabilities. For NDIS participants living in the Ryde, Hunters Hill and Hornsby, Ku-ring-gai local government areas, we are able to offer a transport subsidy (conditions apply).

We have a high-quality fleet of vehicles offering a range of accessible options, including small buses with wheelchair lifts.

### **By using Stryder, you have:**
